THE *Marshallite* '56

*Annual Publication of
John Marshall High School
Richmond, Virginia*

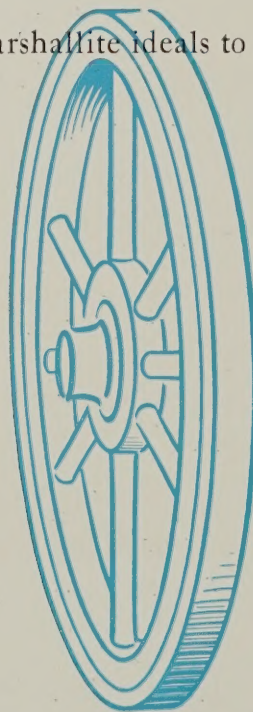

WHAT would life be like today if someone in Asia, 10,000 years ago, had not invented the wheel? Down the centuries, the wheel has played an important role in civilization.

To be of value, a wheel must have certain properties—spokes to give it size, and a rim to hold the spokes in balance. But the very heart of this great invention is the hub, or center, without which it could hardly be a wheel.

As the hub is to the wheel, so is John Marshall High School to all true Marshallites.

Even as freshmen we found our varied activities all centered in our alma mater. But not until we were seniors, and that master teacher Time gave us understanding, did we realize the great role John Marshall High School played in influencing our way of life.

Truly grateful we shall ever be for Marshallite ideals to guide and brighten our lives.

WALTER FRAZIER BEVERLY

Dedication

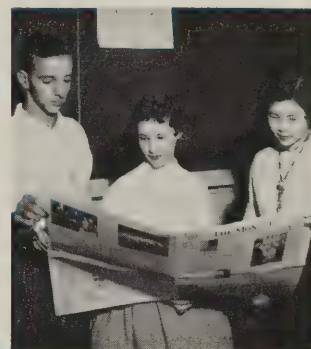

We, the Class of 1956, dedicate our Yearbook to Mr. Walter F. Beverly, whose presence and helpfulness have been an inspiration to us all.

Mr. Beverly, the father of a large and devoted family, has given abundantly of himself to our school.

Each of us feels it a privilege to have developed under his influence.

ROLL CALL

THE school section, comprised of the administration, the faculty, and seniors, is one of the main spokes in our wheel here at John Marshall.

Most of the students have five classes a day, while a few squeeze in six by having a class at lunch time; others have only four classes, and a few leave at noon to go to work.

The administration and the faculty play a large part in our school life, working with seniors to make our school a more pleasant one to attend.

They also recommend books for us to read and study. The Virginia State Board of Education selects the books; the Richmond School Board narrows down the list; then the administration and faculty work together to standardize it.

Faculty members, who are our friends as well as our teachers, help us in manifold ways.

All in all, the school section covers the whole school working together for a better today and an even better tomorrow.

The School Board and Administrative Staff

THIS is a typical monthly picture of the Richmond School Board. The making of school laws, the interpreting of regulations, and the welfare of today and tomorrow's school children; all of this is the business of members of the board. Their lot is not an easy one, but with the aid of school principals and counselors they help make the life of each student a better one. Members of this important organization are: Lucian D. Adams, Assistant Superintendent; Mrs. Kenneth F. Lee, Board Vice-Chairman; Booker T. Bradshaw, Board Member; Carlisle Davis, Board Member; H. I. Willett, Superintendent; Lewis F. Powell, Jr., Board Chairman; Henry M. Eubank, Accounting Director; Edward C. Peple, Board Member; W. H. Deierhoi, Assistant Superintendent.

May Queen

PEGGY CARDWELL

Maid of Honor

MOLLY RAMSEY

THE MAY COURT

Queen Peggy Cardwell, regal and beautiful, reigned over John Marshall's May Day festivities this year, with Molly Ramsey for her maid of honor. Her senior attendants were Phylliss Bishop, Nancy Chapman, Stuart Ann Estes, Betty Mallory, Joanne Usry, and Barbara Whitlow.

Other members of the court were Reed Butler and Bobbie McBride from 9L; Melanie Bandazian and Ginger Stewart from 9H; Dixie Wood and Gloria Steward from 10L; Carol Davis and Ann DeCamillis from 10H; Page Martin and Ann Jenkins from 11L; and Judy Wray and Bessie Worsham from 11H.

After the coronation ceremonies, the G. A. A. presented a delightful program of dancing on the front lawn. This year's theme was "Broadway Musicals," which made an especially enjoyable program.

CURRICULUM

At John Marshall two entirely different courses are offered—college preparatory and terminal. Pupils interested in attending college may take French, Spanish, Latin, chemistry, physics, and advanced mathematics.

Those who wish to enter the business world immediately after graduation from high school are offered typing, bookkeeping, shorthand, and secretarial practice.

Some pupils have successfully combined the courses, working in business subjects with their college preparatory course.

Government is a subject that is essential to the pupil of today, who will be tomorrow's citizen—perhaps its statesman.

Sewing and cooking are courses helpful to both boys and girls. Home economics teaches girls how to be better homemakers and mothers.

Who are we to say that tomorrow's Einstein, Rembrandt, Business Tycoon, or United Nation's interpreter is not pictured on this page? Of course, we have no way of knowing.

Pictured at the top is Mrs. McGinty showing two boys the technique of office work. In the circular picture is Miss Leach, Chemistry teacher, explaining the label on a bottle.

At the bottom left are five students displaying their artistic ability. The French Club, at the bottom right is enthusiastic in getting their members to speak French more fluently.

THIRTY-TWO of the most interesting and colorful spokes in the John Marshall "wheel" are the clubs and organizations. Holding weekly or biweekly meetings, they all set definite goals, secure outstanding speakers, hold discussion groups, view films and slides, and participate in other serious and recreational projects.

Long a source of honor to the school, the various organizations bring students and faculty together in closer unity. From freshmen to seniors, students find in their clubs many opportunities to form new friendships and grow in leadership. They learn to understand their fellow students better and to respect them more; in short, to become better Marshallites.

There are clubs to appeal to almost all types of students, from careerists to culture seekers and sports enthusiasts. During the past four years, three new clubs have been added: the Chess Club, the Future Teachers of America, and the Nurses of Tomorrow.

This year, in an effort to unite clubs more closely, and to enable school leaders to become better acquainted, the Key Club gave a luncheon for the president and a representative of each club. The clubs also cooperated in decorating the float for the big football game.

To each week's work the many extracurricular activities add a grand finale.

In 1936 the Student Association of John Marshall was organized to promote better understanding between the faculty and the student body. It has eminently fulfilled its purpose.

The three active groups of the Association are the homeroom presidents, an executive committee which is the actual governing body, and nine commissions that carry out the plans of the organization. The executive committee, composed of students from each grade, meets twice each month. Each commission has a chairman and a number of pupils working with its sponsor to accomplish the year's objective.

This year the hard-working Cafeteria Commission has made notable improvements in the cafeteria. There is a new milk bar, a tray window, and soft "dinner" music.

Nor have social activities been overlooked. Throughout the year there have been parties, with a spring picnic for the grand finale.

Living up to its motto, "Service," the Junior Red Cross got off to a good start in its November campaign and collected \$400.19. Two homerooms, 304W and 315, raised \$35 and \$28, respectively. These rooms were presented with Red Cross Plaques, made by Mr. Bowling's word-working class, and boxes of candy.

Murad Kerneklian and his paper-drive crew were busy every other Thursday in room 5 tying up the paper from each homeroom.

Every Tuesday, six girls, who took a course at Medical College of Virginia Hospital, went to the hospital and helped in the Rheumatic Fever Ward. Other volunteers went to McGuire's Hospital to roll bandages on the second Saturday in each month.

John Marshall's JRC council also played a big part in the Disaster Program, visiting 88 churches in the East End, South Side, and North Side to find out if members could be used in case of disaster.

The Key Club is composed of thirty-five members, all of whom are boys in the upper third of their class, and a sweetheart chosen by the members from the 12H each semester.

Sponsored by the Richmond Kiwanis, with Mr. James C. Harwood, Jr. as Faculty Advisor, the Key Club differs from a number of clubs here at school in that it is a service club.

As it has done in a smaller way in the past, the Key Club this year sponsored a vocational program once each month, to which anyone in the school was invited. Some of the fields covered this year were law and medicine.

This year the Key Club took the initiative and helped decorate for every home football game and the basketball game between Teejay and Jayem.

The annual Father-Son Banquet was a big success this year and everyone who attended agreed that it was one of the most successful. The Key Club sponsored an assem-

bly on Brotherhood with Dr. George Ritchie as speaker. Some school officials and teachers commented that it was the best Brotherhood assembly ever presented at John Marshall.

Another of the year's highlights was the annual Capitol District Convention, which was held in Washington, D. C. Eighteen members, with Barbara Whitlow, the sweetheart, and Mr. James C. Harwood attended. This was the largest number from Jayem ever attending an out-of-town convention. John Godsey was elected Lieut. Governor of Division Four at the convention.

The Key Club is composed of eight committees, with the chairman of each group as follows: Program, Robert Rose and David Jennings; House, Sheldon Day; Social, Wayne Key and Pete Treibley; Publicity, James Reedy; Project, James Fisher; Scrapbook, David Lewis; Vocational, John Godsey; Attendance, David Jennings and Robert Rose.

SCHOLARSHIP: To think without confusion clearly;
SERVICE: To love his fellow-man sincerely;
LEADERSHIP: To act from honest motives purely
CHARACTER: And trust in God and heaven securely.

The John Marshall Chapter of the National Honor Society was organized in 1939, and Dr. C. Patrick Ely was chosen sponsor. During the years since 1939, 760 students have been elected members of the society at John Marshall. Thirty-four were initiated into the group this fall.

As a follow-up of last year's campaign on honesty, the members of the Honor Society this year prepared a card containing a few pertinent facts about honesty and a pledge to be used on tests. Each student in John Mar-

shall will be given a card which he will carry with him at all times in school, and which should act as a reminder that he conduct himself honestly in all his endeavors.

On April 12, the members enjoyed a luncheon. A speaker and a former member of our chapter of the National Honor Society were the guests.

This year the National Honor Society entertained the J. M. H. S. faculty and the parents of the members at a tea given in the school library, Wednesday afternoon, May 16.

To become a member of the National Honor Society, a student not only has to make an average of 90 or above on all his high school work, but must be recommended by the faculty as fulfilling the requirements for character, leadership, and service.

The Marshallite

Editor-in-Chief-----JEANNETTE SWOOPE

Business Manager-----CARL JOHNSON

If you happened to pass by room 2C during the sixth period any day of the school week, the room might have seemed in a state of chaos. The cause was staff activity under the supervision of Mrs. Frances C. Blankenship, and Mrs. Mary T. Burnett, sponsors. Preparing a year-book requires much hard work.

All term the editor, Jeannette Swoope, kept the sixth period class busy, which proves our choice was a wise one.

The staff, unusually successful with ads this year, reached its goal and exceeded it long before the deadline. Needless to say, this pleased Mr. John S. Arnold, who manages *Marshallite* business.

At the S. I. P. A. convention in Lexington, Virginia, Mary Wood represented the *Marshallite*.

The saying goes, "All work and no play makes Jack a dull boy." Well, it wasn't all work and no play, and Jack wasn't a dull boy by any means. There were coke parties during our Thursday meetings, and, to climax the year's work, a dinner at the Wakefield Grill.

With the cooperation of the staff, editor, and sponsors, this year's annual has proved one of the best ever produced. It required hard work, but the satisfaction came when we finally saw our book in print.

To seniors, this yearbook will serve as a reminder of happy schooldays. But to those of us who planned and made this *Marshallite*, it will also serve as a reminder of the happy times we had together in 2C working with Mrs. Blankenship and Mrs. Burnett.

Mumps!

The adviser started the semester off with a good feature story for *The Monocle*. He had the mumps.

After the first few days the staff settled down.

The staff room started to buzz and the reporters began hunting for news for *The Monocle*. They got their assignments and wrote their stories, which were read and typed. They made three trips to the printer.

When the paper was returned to them the second time it was page proofs, but on the third trip back it was a finished paper.

Always the last few days before *The Monocle* comes out, the pressroom is a mad house. Finally everything goes to the printer, and, on some occasions, the fervent hopes of the staff are realized—the paper is returned on time.

Proudly, every other Thursday, *The Monocle* displays its sign "Monocle Day" and *The Monocle*, which won the CSPA medalist award at Columbia University, presents to the John Marshall students another excellent paper.

Each Monday afternoon after school in room 114, there can be found a group of students reading, correcting, and writing essays, editorials, poems, and stories. This is *The Record* staff at work.

This year Marshallites received the forty-eighth issue of *The Record*, John Marshall's literary magazine. It is the oldest publication at Jayem, coming into existence when Richmond High School became John Marshall High School.

In its first twenty years, *The Record* was a combined newspaper and magazine, but with the coming of *The Monocle*, it became exclusively a literary publication.

Last year *The Record* gave, for the first time, a trophy to the best student author writing for the magazine.

Again this year *The Record* added something new—a department called "The History of the Clubs." Each issue from now on will feature one of Jayem's clubs. The history of The Girls' Athletic Association was related in the debut of this department.

At the Southern Interscholastic Press Association, held in April of '55, *The Record* received a first place rating. The National Interscholastic Press Association gave *The Record* first place rating for 1955 also.

Variety is added to *The Record* by the Exchanges, Each in His Own Tongue, Book Reviews, The Walrus Said, Cadet Notes, Editorials, and the new department, The History of Clubs. In "The Walrus Said," Marshallites can enjoy humorous incidents that happened in their own classes. This year, as usual, there were suspenseful stories of love and murder.

This year's staff wishes to congratulate and thank Roxane Savedge and Mary Ella Byrnes, student co-editors, and Mr. Walter Beverly, faculty advisor, for their fine and untiring efforts.

1955-56 was truly a record year for the Literary Society, both in membership and activities. The society, providing entertainment through a knowledge of books, movies, plays, and music, is composed of students who are recommended by their English teachers and club members.

This year the society stressed Poetry through its programs. Miss Karma Ogden, teacher at John Marshall and a member of the Poetry Society of Virginia, was a guest of the society and read one of her poems. On another occasion, Mrs. William R. Twig, past president of the Poetry Society of Virginia and writer and director of the musical, "To Have and To Hold," was a guest and read several of her poems. As has been the custom in past years, these guests were presented with corsages.

Following last year's example of doing for others at Christmas-time, the society adopted a twelve-year-old girl and played "Santa" to her.

Starting in November, on every other Tuesday, four boys or girls went to the Crippled Children's Hospital to tell stories to the children.

The club's activities this term included a trip to the Poe Shrine, and a talk by the Reverend A. P. Bailey on "The Bible as Literature."

Several parties were held at the meetings, and a banquet was given in honor of the June graduates.

The Future Business Leaders of America is a national organization composed of students enrolled in one or more business subjects.

This organization holds that technical skills are not enough. Simply reading about educational, political, social, civic, and labor organizations cannot prepare young people adequately for intelligent participation. The F. B. L. A. teaches its members how to operate an organization, prevent minority controls, and bring about desirable social, political, and economic changes through organization.

The service club sponsor is the National Office Management Association, Richmond Chapter. The sponsors are Mr. John S. Arnold, Mrs. Mary B. McGinty, Miss Pela Bobbitt, and Miss Ella B. Rouzie.

Activities of the chapter include field trips, school-community projects, a banquet, participation in the Regional Meeting at Mary Washington College, and several of our members attended the State Convention at Hotel Roanoke in May.

Vocational Office Training Class

*Teacher-Coordinator-----*MRS. MARY B. MCGINTY

The V. O. T. class consists of seniors who intend to work in an office after graduation from high school. The students receive one credit toward graduation for the classroom instruction and one credit for the work experience.

The class offers specialized pre-employment training and an opportunity to try out in a real job situation. This helps each student develop a feeling of confidence in his ability.

All students enrolled in Vocational Office Training are eligible to become members of the John Marshall Chapter of the Future Business Leaders.

Units of instruction include filing, spelling, operation of adding, posting, and duplicating machines, calculators, comptometers, electric typewriters and transcribing machines.

Emphasis is placed on the importance of desirable work habits, responsibility to the employer, good employer-employee relations, and correct telephone techniques.

On April 23, a banquet was held at the Holloway House to which each V. O. T. student invited his or her employer.

The Distributive Education Club is a professional organization open to all students who are majoring in Distributive Education. A D. E. student works on a part-time co-operative retail training program, attending school part of the day and working in distributive occupations (retail, wholesale, and service) a minimum of fifteen hours a week. The in-store work experience is considered a laboratory exercise related to classroom instruction. Salesmanship, advertising, retail math, human relations, stockkeeping, speech, and merchandise information are among the topics covered in the classroom.

The John Marshall D. E. Club is a member of the Distributive Education Clubs of Virginia, which has more than fifty school memberships. In turn, all the Virginia clubs belong to DECA—The Distributive Education Clubs of America.

This year the members of the club attended the District

Conference, which was held in West Point, Virginia. There were various competitive contests. These included a speech contest on some particular merchandise, a sales demonstration judging contest. Betty Eastridge won first place in the Job Interview Contest. Wilbur Westmoreland and Walter Moyer won second places in the Sales Demonstration judging contest and display contest. The Annual State Convention was held in Richmond on March 4, 5, and 6. Delegates to this convention were Wilbur Westmoreland and Dickie Lacy. Betty Eastridge was eligible to compete in the Job Interview Contest on the State Level.

Perhaps the club is best typified by its diamond-shaped pin and emblem. The four points of the diamond represent vocational competence, economic literacy, social intelligence, and leadership. The wrapped package in the center of the pin signifies a job well done.

The Diversified Occupations Training Program at John Marshall is designed primarily to offer high school students an opportunity to prepare themselves for a specific trade or industrial occupation of their own choice through part-time employment while still in school.

The student devotes three hours a day to school work, receiving one hour of instruction specifically related to his job and two hours of instruction in subjects required for graduation. Credit is granted toward graduation for satisfactory work on the job. In addition, the learner is paid a fair hourly wage by his employer.

The John Marshall D. O. Club is a member of the Diversified Occupations Clubs of Virginia, which is composed of approximately forty-five local clubs scattered over the state. This year several members of the J. M. Club

attended the State Contest in Spelling, Essay, and Talent, which created considerable club interest.

The highlight at the State Convention this year was the large banquet and dance given for all club members on the closing night of the convention.

On the local club level, the highlight is the annual Employer-Employee banquet given each spring by the members of the club. This gives the student-learner an opportunity to invite his employer to the banquet and the employer an opportunity to meet other D. O. Student-Learners, as well as other employers, which stimulates fellowship and good will between employer and employee.

Perhaps the club is best typified by its pentagonal-shaped pin and emblem, with a flaming torch supported by clasped hands. The five sides of the pentagon represent leadership, craftsmanship, citizenship, fellowship and character.

F. T. A. members have taken part in a great many activities of the Virginia Education Association this year. They were registrars at the District C Meeting, they were guides at the VEA Open House, they attended the March meeting of Delta Kappa Gamma, Beta Chapter, and they taught school for one day in various elementary schools and a junior high school in Richmond.

For the girls at Jayem who like sports, the Girls' Athletic Association is a main attraction.

This club offers a variety of sports for after-school pleasure throughout the year. In the fall there is horseback riding, archery, and bowling; later horseback riding is replaced by the indoor sport of basketball. In the spring the girls enjoy tennis, horseback riding, and archery.

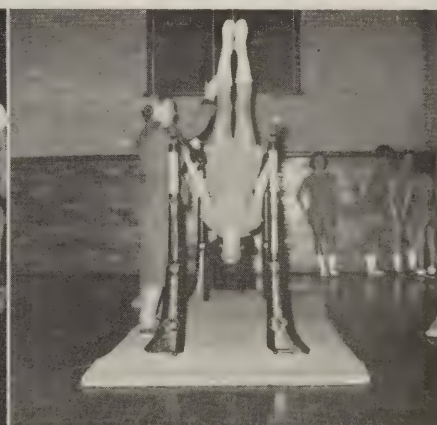

The G. A. A. is the largest club at John Marshall and certainly one of the most active. The club presents a talent show and a fashion show each year. This year the theme of the talent show was "This is Your High School Life," featuring the life of one of last year's graduates.

May Day is also a G. A. A. project, held each year on the school lawn. "Broadway Musicals" was this year's theme of the annual May Day festivities.

The Girls' Athletic Association climaxes each school year with a gala picnic for the entire club.

Since its beginning in 1930, the John Marshall Chapter of Quill and Scroll, the honor society for high-school journalists, has accepted over 700 members into the organization. This year the society added twenty-five new members.

Quill and Scroll, the only international organization at John Marshall, is composed of students who work on one of the three publications, *The Record*, *The Marshallite*, or *The Monocle*. Many members, however, work on more than one publication.

To stimulate interest, some of the members of Quill and Scroll visited *The Richmond Times-Dispatch* and watched the competent staff publish its paper.

To become a member of Quill and Scroll, a student must rank in the upper third of his class, must have done outstanding work on a publication, must be recommended by the publication adviser, and must be accepted by the chapter sponsor, Mr. Ernest W. Library Staff

Twenty-two student library assistants have been rendering most valuable service to fellow students and the school. Their duties include assisting others with library problems, routine desk work, checking passes, filing, and other activities. The staff feels that their daily tasks in the library have also aided them personally in acquiring a greater knowledge of books and libraries. Meetings are held periodically, at which time library problems are discussed.

This year the library staff entertained the faculty at a tea during National Book Week and arranged displays of new books for everyone to see.

The John Marshall Forum Club plans activities to develop mentally and spiritually better men and women for society. Each club member benefits by getting a practical insight into world, state, and local events. Thus he receives a clearer and more thorough understanding of such affairs through discussions, personal experiences, debates, talks by prominent persons, and visits to local surroundings of special interest.

On one program the Misses Mary W. Montague and Ella B. Rouzie discussed their pleasant summer travels abroad. On another, Mr. Chuck Cheedle gave an illuminating talk on "Alcoholism." Mr. Hudson, of WLEE, spoke on the topic, "Hudsonize Youth." And for the Christmas program Mr. Ernest Mooney discussed "Christmas and Youth."

During the year, club members made interesting visits to Washington, D. C., the Valentine Museum, and the Wickham House.

The club held panel discussions on youth problems, reports on current happenings, and debates of major problems of today.

At Halloween and Christmas there were parties, and in the spring a picnic at Bryan Park, where members gathered for a final frolic.

In its seventeenth year, the Christian Youth League had a larger group and better attendance than ever before. Not fewer than fifty young people of all denominations have attended each meeting. Growing through prayer, scripture reading, service duties, and music, the C. Y. L. is attaining its goal.

The entire group decided to have "Living for Jesus" as its theme. Outside speakers, group discussions, and panel talks have added greater knowledge of this topic.

League members carried scrapbooks and flowers to the hospitals to "brighten up" patients. They also sent cigarettes to the men at Sheltering Arms Hospital for Christmas, and five dollars to the Christmas Mother Fund.

Graduates receive a small going-away gift as a remembrance of the organization.

The retirement of Miss Rosa V. Branch, faithful sponsor and "backbone" of the League, will be a great loss to the League and the school. Her inspiration and kindly influence will long be remembered at John Marshall.

The purpose of the John Marshall Parent-Teacher-Student Association is to bring parents, teachers, and students into closer relationship with the school, the home, and the community.

The biggest goal of the Association this year was to impress upon the students that they are a part of the PTSA—that their ideas and co-operation are a vital necessity.

The PTSA held one big meeting each term, giving the parents an opportunity to acquaint themselves with the school and its curriculum.

It also sponsored a dance for the students, with an orchestra providing the music.

A study group was organized under the supervision of Miss Frances L. Bray, discussing the topic, BRIDGING THE GAP BETWEEN JUNIOR HIGH AND HIGH SCHOOL: HIGH SCHOOL AND COLLEGE: COLLEGE AND THE BUSINESS WORLD.

The Spring meeting was a climax activity of all the meetings of the entire group and the executive committee, with the various organizations of the school performing on the stage.

The Girls' Chorus is an organization of girls chosen from the choir and vocal classes. Talented girls who are unable to take vocal are also eligible to become members of this group. The Chorus rehearses during recess on Wednesdays.

The Chorus sang several numbers in the Spring Concert, which was held on March 2. Even though the members work hard, they find real enjoyment in their work.

Twelve girls from the Chorus form the Girls' Ensemble.

The John Marshall Choir is a very active organization. Members are chosen on the basis of seniority and musical ability. For the choir's sixty mixed voices, this has been a very busy year. When Chief Justice John Marshall's 200th anniversary was celebrated on the school lawn, the choir participated.

Besides performances given for the PTSA, Veterans' Day Celebration, and Fire Prevention Week, the group was featured in the Thanksgiving Assembly.

Christmas always finds the members of the choir caroling in the halls at school, at the Ruffner Building on 12th Street, City Hall, the superintendent's office, and, of course, the Capitol, where they entertain the Governor and his staff.

Special programs by the Choir were arranged for baccalaureate service and commencement exercises in January and June. In March, the Choir presented a spring concert, which was most successful and enjoyable.

At Easter, an interesting program was presented in the auditorium.

In addition to all their school functions, these singers have enjoyed many outside engagements. They sang at the John Marshall Hotel for both the Kiwanis and the Optimist Clubs.

The John Marshall Orchestra, directed by Albert L. Stoutamire, has an interesting and varied program each year. Consisting of twenty-four members, the orchestra now enjoys participating in the various performances that are given. These include playing for the Kiwanis Club, assembly, and graduation.

One of the outstanding events that the string players look forward to each year is the annual State String Clinic held in December. Seven members attended the Thirteenth Annual State String Orchestra, which was held at Thomas Jefferson High School.

To complete the program of the orchestra, a concert or an operetta is given. This year a concert, in which both the Choir and the orchestra participated, brought the spring term to a close. The final touch each year is the June graduation.

"Adelante siempre adelante" meaning "forward always forward" is the motto of the Spanish Club here at John Marshall. The club meets every third Friday of the month in room 304W with Miss Marie Rooney as the new club sponsor.

This year, after much effort, the club has grown to approximately 60 members; last year's membership was approximately 30.

The Don Juan Club was created especially for those students who study Spanish or have studied it. However, all students interested in this language enjoy the gaiety and festivity of the programs, whether in Spanish 1, Spanish 8, or in no Spanish at all.

The first big program was a Christmas party with all the members gathered in one room. Games were played, and a good time was had by all. The party was concluded by the breaking of the traditional Spanish pinata.

During the course of the year, much interest was aroused by plans for a trip to Cuba. Because enough people didn't respond plans were dropped.

A trip to Washington was also sponsored, where the club visited the Pan American Building, the zoo, and other places of entertainment.

Yes, if you're at all interested in Spanish, why not join the Don Juan Club? It has a good motto and it has been followed . . . "Adelante siempre adelante."

John Marshall Cadet Alumni Association, Inc.

GENERAL BURRESS AND T. P. DRUMHELLER

Organized March 6, 1946, to further the interests of the Corps of Cadets and to stimulate and encourage the feeling of good fellowship among the alumni.

To open the fall program of activities, the Association held a joint banquet meeting with the Corps of Cadets on the occasion of its Fortieth Anniversary Friday, September 23, 1955.

Lieutenant General Withers A. Burress, retired commander of the First Army Area, was the speaker for the Corps-Alumni-banquet. He was awarded the alumni Certificate of Achievement by Thomas P. Drumheller, association president.

The day after Thanksgiving proved to be a great time of reunion for alumni of all ages. The annual dance took place at Tantilla Gardens on November 25, 1955.

On March 7, 1956, the annual meeting of the Association took place. The election of officers was the highlight of the meeting, which marked the tenth anniversary of the founding of the Cadet Alumni Association.

John Marshall Evening School

"Night lights and busy minds"

John Marshall Evening School offers each year a variety of courses to its approximately nine hundred students enrolled.

The evening school founder, Mr. W. C. Locker, opened the first session in 1911 with two teachers and, since that time, the school has been a vital factor in the adult education effort of the city.

A number of students lacking only a few points to graduate have earned sufficient credits by evening study to obtain their diploma from John Marshall, Thomas Jefferson, or some other high school. However, the purpose of the evening school is not only to provide educational opportunities for students who have not completed requirements for graduation but to enable high school and college graduates to take courses for pleasure, profit, and relaxation, which is evidenced by the fact that 273 high school graduates and 44 college graduates attended the 1954-1955 session.

Since a number of your friends and neighbors are living richer, more dynamic and constructive lives as a result of participating in our program, we invite you to make full use of the opportunities available.

OSCAR H. PARRISH, PRINCIPAL

JOYCE B. WOOLCOTT, SECRETARY

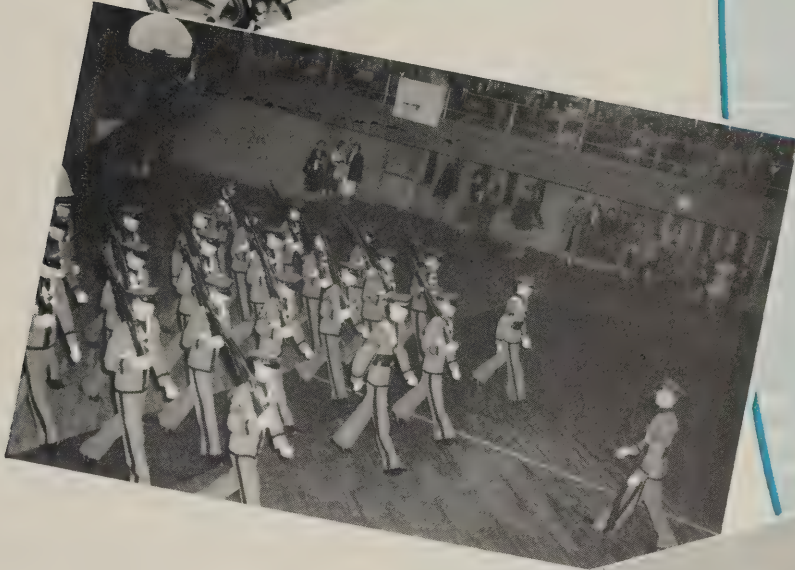

THE Corps of Cadets is another spoke in the "wheel" of John Marshall. Representing the school in parades and competing with military units of other schools, the Corps adds color and spirit to the life at Jayem.

The purpose of the Corps is to raise the scholastic standing of its members, to train them in leadership, to prepare them for future military service, and to do its part in bettering John Marshall.

To achieve these purposes, the Corps has a drill period at the first and second recess periods, inter-company athletics, competitive drills, and afternoon P. M. formations on most Thursdays.

May this important and dignified spoke in the John Marshall "wheel" always remain a symbol of the highest ideals.

The Honor System of the John Marshall Corps of Cadets is designed to instill in the individual cadet a true sense of the Corps' motto, "Duty, Honor, Country," and to extend each cadet's desire to develop within himself those attributes accompanying a high degree of honor. Self-respect, pride, and the general consideration for the rights and welfare of others are vital factors in the forming of real character.

In order to achieve the system's goal, each cadet must resolve to implant these standards within himself. Should he fail to do so and encroach upon or appear to violate his honor, the case is brought before the Honor Court. With the seriousness of a cadet's offense in mind punishment is administered, if justified, accordingly. The Court is composed of all commanders, the adjutant, and such others as the Court sees fit to elect by unanimous decision, the total membership not exceeding thirteen.

In any case not covered by the Rules of Standards, in which the honor or character of a cadet, of the honor or well being of the Corps as a whole is in any way involved, the Honor Court considers the act as one reflecting on the code of a gentleman and renders its decision accordingly.

The General Committee

First Row: Edgar C. Ballowe, Sergeant-at-Arms; Roy A. Fleming, William H. Sylvia, William A. Tinslev, Judge Advocate; Bryce C. Gary, Jr., President; Leonard G. Carmine, Secretary; Raymond W. Talley, Sterling M. Giannotti, Jr., Oliver D. Singleton. *Second Row:* Charles V. Wilson, Earl L. Griffin, Franklin L. Reed, Burke O. Long, Norman L. Hancock, Robert W. Taylor, Lawrence C. Halley. *Missing:* Kennon W. Davis.

Although the Honor Court's principal purpose is to try cases of honor violations, it also works in conjunction with the General Committee in maintaining the Honor System. The body is composed of all commanders and the individual class officers. The General Committee does not try honor cases, but instead, starts at the very core to prevent any future honor violations by maintaining the proper instruction of each recruit class, and additional instruction of all classes, as may be necessary.

If there is any disagreement as to points of the standards of the Corps not clearly defined, the General Committee is the deciding factor in the case. Cadets failing to uphold these standards, regarding conduct and appearance, are called to account by the group, since it is their duty to see that they are enforced. The reputation which the Corps enjoys as gentlemen is the result of this system.

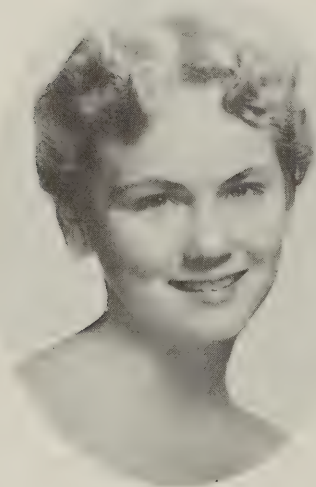

The members of the General Committee must also accomplish their purpose by personal example, having to display the proper qualifications before receiving membership. It is also the duty of each member of the corps to report all violations of the standards, foregoing all company allegiance wherever it would conflict with the purpose of the General Committee. Lesser duties of the committee are the enforcement of class privileges and new cadet restrictions.

The Hop Committee

The Hop Committee is a voluntary group composed of cadets from all companies and all drills. Each job that goes to making the Hop a success is taken care of by a separate committee. Each of these is supervised by a chairman.

The first big problem is the debatable question of the colors of the decorations and a plan for the arrangement of them. These are decided by the vote of the group. Next the various committees plan and carry out each phase of their assigned duties.

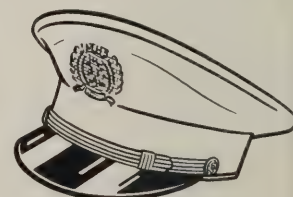

When all the tasks have been completed, the haphazard, hectic turmoil turns into an orderly, beautiful picture. The cadets who worked so hard and put so much time in preparing for this big event receive no reward other than the satisfaction in the feeling that they have done their part in making the ball a notable success.

*A*THLETIC-minded Marshallites have plenty of sports to suit their tastes. Girls and boys alike, have every opportunity available to participate in the athletics at Jayem.

These sports include baseball, football, and track for the boys, hockey, and softball for the girls, and basketball for both groups.

The Justices have won many honors in the sports fields. The athletic staff and programs which back up these sports are one of the finest in the state. In the past four years we've had state champions in basketball in addition to a number of district champions.

The girls have not done badly either. The girls' hockey team, basketball team, and softball team keep the girl athletes pretty busy during the year.

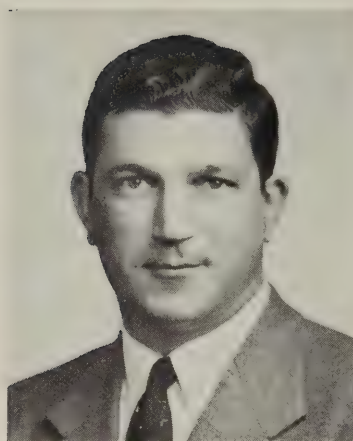

Winning helps the morale of the team, but good sportsmanship helps the morale of the school. Let's all be better sports. Let's help the wheel go forward—not backward.

1. WARWICK

14-6, John Marshall

The first game was against Warwick on September 16. At halftime the score was 6 to 0, favor of Warwick. Don Goodman made a two-yard plunge for our first touchdown and ran for the extra point. Mel Rideout made a run of two yards for another touchdown. Bucky Shope made the extra point starting off a good season.

2. PETERSBURG

20-0, John Marshall

Next we visited Petersburg on September 23. When halftime came, the score was 0 to 0; then Coach Goodlow must have sprinkled some of that "old black magic" into the player's shoes. Three times Billy Overman crossed the goal line. Don Goodman scored our one and only extra point of the evening.

3. GRANBY

13-6, John Marshall

On September 23, the Justices faced Granby's Comets, there. The John Marshall eleven scored once in the first quarter and once in the last quarter, with the honors going to Billy Overman and Don Goodman. Thus the Justices lead 13-0. The game ended with a Justice victory of 13-6.

4. HIGHLAND SPRINGS

19-0, John Marshall

The fourth game was played in Highland Springs, October 8. Fog settled thickly on the field, nevertheless Jimmie Traylor completed six out of eleven passes. The first touchdown was scored by Ed Shope. Billy Goode marked up another seven points. Tom Sharp ran for the extra point. Don Goodman ran 44 yards for our last touchdown.

5. MANCHESTER

6-6

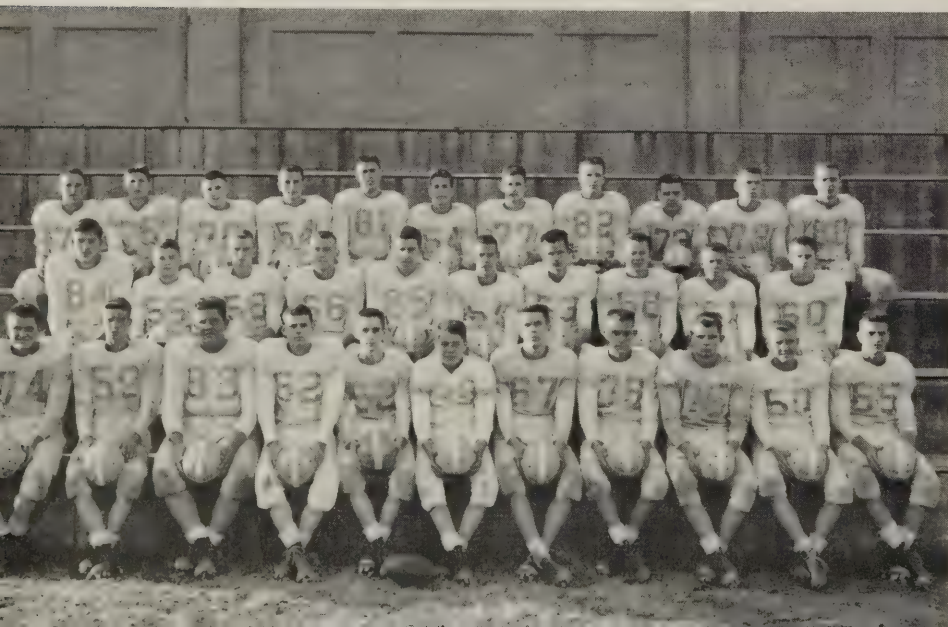

On October 14 Manchester met Jayem's undefeated team. The Lancers scored in the first half, leading the Justices 6 to 0. In the last minute and a half, Mel Rideout passed to Billy Goode who carried the pigskin to score our first touchdown. The extra point wasn't made, so ended the game 6-6.

6. HERMITAGE

27-0, Hermitage

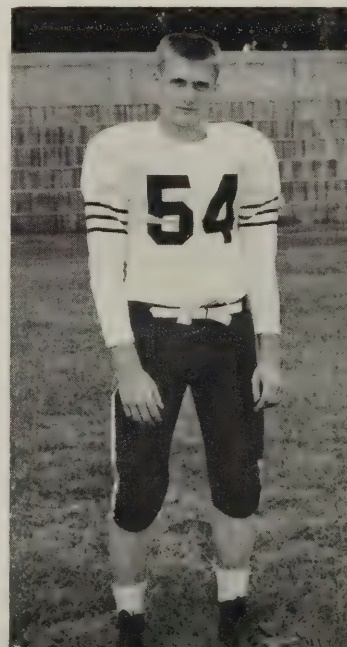

October 21, brought our first defeat at the hands of Hermitage. At halftime, the score was 14-0, favor of Hermitage. The Panthers scored twice more, making one extra point. So, for the first time, our Big Blue left the field defeated 27-0 favor of Hermitage.

7. HOPEWELL

27-13, Hopewell

On October 29, our Big Blue went to Hopewell. Due to teamwork, Don Goodman plunged for the first touchdown. Mel Rideout made the extra point. The Blue Devils scored twice, making the score 13-7 at the half. Don Goodman broke loose for a 75-yard run to score our second touchdown. Hopewell scored twice more. Though defeated, the team and boosters had the satisfaction of a game well played.

8. ALEXANDRIA

26-13, Alexandria

November 4 John Marshall played George Washington. As well as bad weather, the John Marshall eleven suffered a few bad breaks. Quarterback Jim Traylor and halfback Don Goodman made the touchdowns of the evening for the Justices while fullback Jim McGinnis made the only conversion. However, Alexandria's skillful passing and connecting enabled them to score four touchdowns. The John Marshall team boarded their buses for home defeated by Alexandria with a score of 26-13.

9. THOMAS JEFFERSON

19-7, Thomas Jefferson

On November 19, we faced Thomas Jefferson. There was good attendance despite the constant rain. The Jeffs scored once in the first half. During the third quarter of the game, the Jeffs scored again. Jim Traylor carried the pigskin over the Justices goal line. In the last six minutes, the Big Blue once more took charge of the ball. In their desperate ecorts to score, Mel Rideout's pass was intercepted and run back for the Jeff's third touchdown. Thus the game ended 19-7 favor of Thomas Jefferson.

10. LANE

12-0, John Marshall

The last game of the 1955 season was played here on November 25 against Lane High School. Bucky Shope and Don Goodman both scored, however, neither extra point counted. Lane remained scoreless throughout the game, thus ending a hard played season.

* * * *

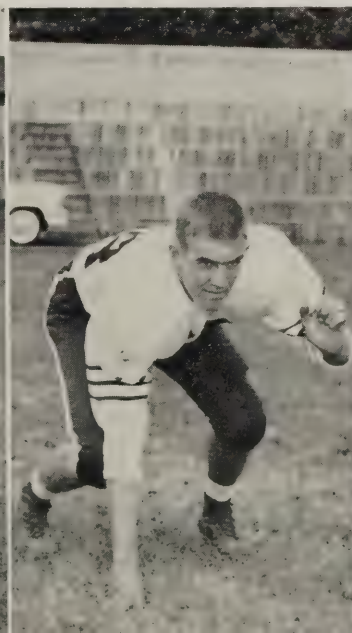

The season's end brought many honors to members of the John Marshall team, the two principal ones being the selection of Billy Goode and Don Goodman to the All-City squad and the selection of Billy Goode to the All-Central squad.

Even though John Marshall's basketball team ended the season with a 7-13 record, most Marshallites felt that they had a successful campaign because of the 51-41 victory over Thomas Jefferson.

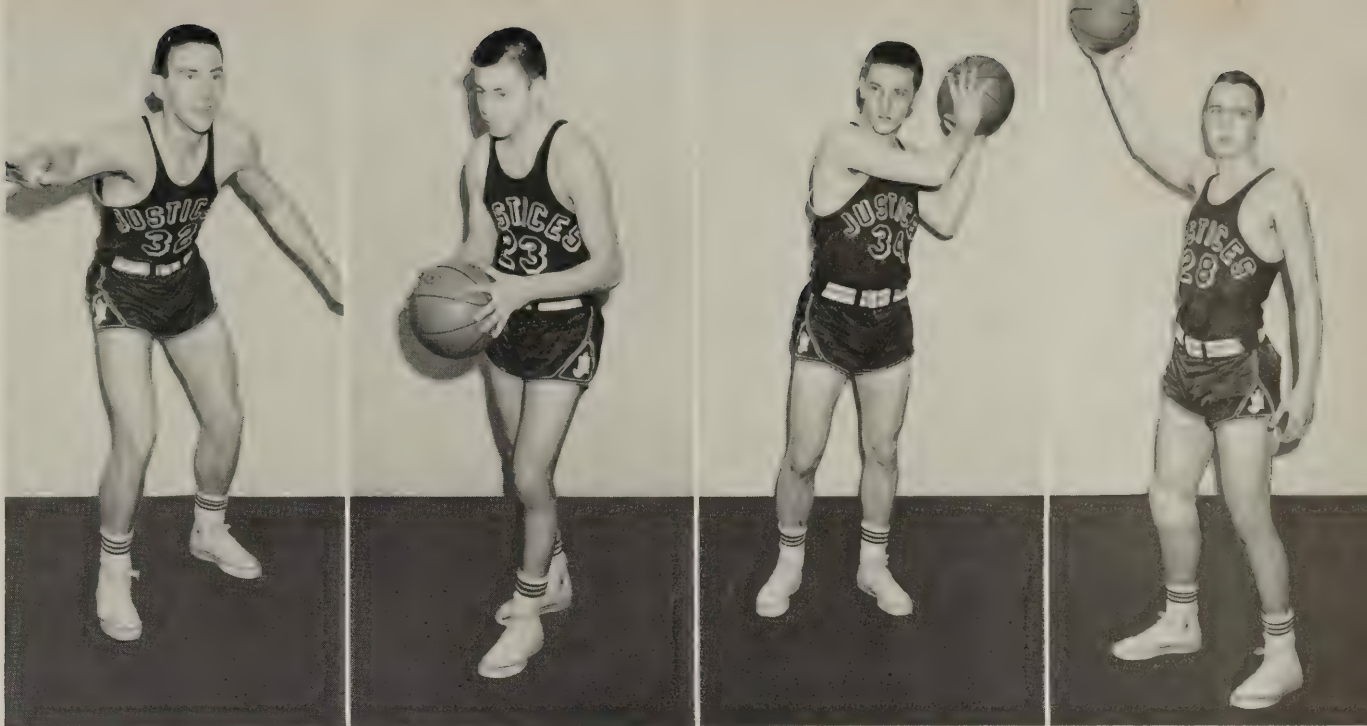

The Big Blue played their best game of the year against the Presidents as, led by the efficient ball-hawking of Jim Reedy and the rebounding power of Jimmy Pace, the Justices effectively double-teamed Teejay ace, Bob Parker, to walk away with victorious honors.

But this game didn't hold throughout the season. The Justices ran hot and cold in this first losing season since Coach Clayton Rechenbach took over the job of basketball coach five years ago.

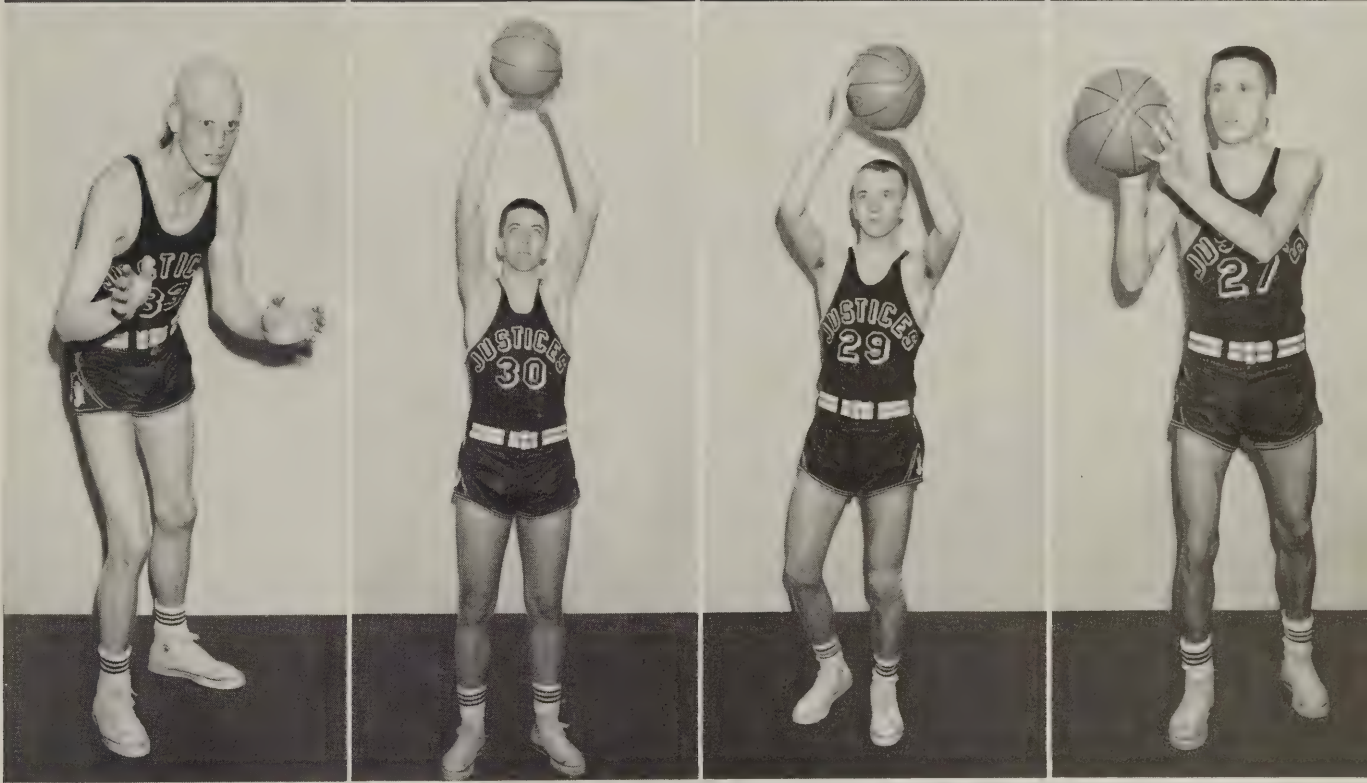

Things were pretty tough for the Jayem hardwood aces, for a difference of 19 seconds and six points would have given the Big Blue a winning season.

The Justices started off the season right by defeating Freeman, 65-41. Then the going got rough as they lost such tight ones as the three-point loss to Benedictine, 48-45; an eight-second, one-point defeat by Hermitage, 46-45; the two-point loss to Petersburg, 52-50; a nine-second loss to Teejay, 44-43; the two-second, two-point loss to the Panthers, 59-57; overtime loss to Highland Springs, 31-29.

On other occasions the Justices were in top shape, such as in the aforementioned Teejay game; the romp over Lane, 91-45; a victory over Hopewell, 67-42; the Manchester win, 44-34; a 62-55 victory over Maury, and another victory over Lane, 79-42.

The Big Blue will have 11 out of 12 players returning next year. The only loss will be Larry Hicks, defensive standout, who played in 79 out of 80 quarters, plus all three overtimes. The 6'2" forward scored 183 points for a 9.1 average, second highest for the team.

Another outstanding player for the team was Jim Reedy, who has recently elected captain for next year's campaign. The 6'0" guard was high scorer of the team with 254 points, an average of 12.8 points per game. He was constantly hitting in the double figures and was the only player to participate in every quarter of every game—80 quarters.

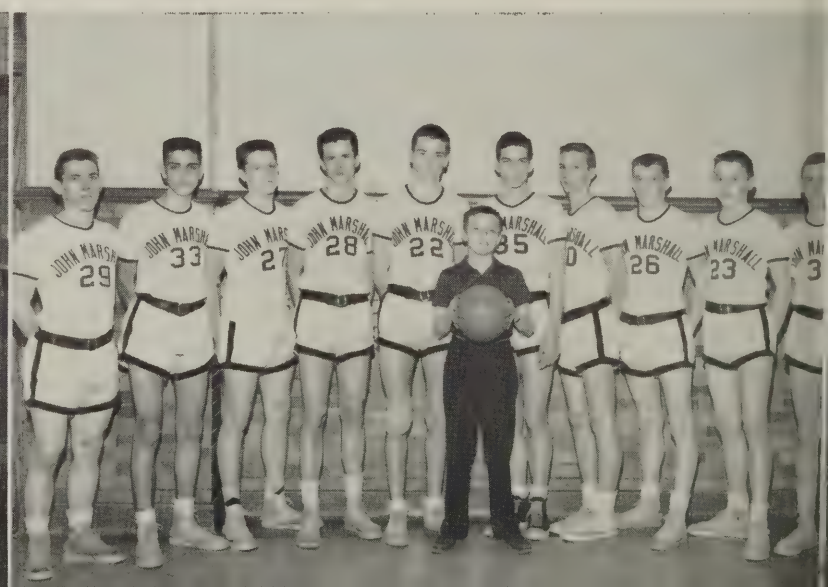

Reedy's ability was recognized as he copped all-Central District and All-Metropolitan honors.

Reedy and Bill Nunnally will be lost to the team by graduation next February. The latter, although he scored only 87 points 4.4 average, was very valuable to the Justices because of his height.

All of the players gained much experience, as all played in most of the games. With this experience, the team will certainly be looking forward to next year.

T R A C K

Lacking speed, but full of spirit, the John Marshall track team has had a fair season. About 30 of approximately 50 boys who turned out were still working hard at the end of the season.

Lack of experience was another great handicap that Coach Bill Goodlow was up against. Donald Goodman and John Hebner were the only returning lettermen from last year's squad.

Several bright spots on the squad were the brilliant running of Robin Taylor in the 100 yard dash and the 220, and Willy Connell's excellence in the shot put.

Donald Goodman, pole vaulting 11'6", was trying hard for the scholastic record of 12'4", while Hebner burned up the track in the half-mile reaching for the 2 minute 1.6 second record.

The Justice Thinclads lost several close meets, one a loss to Manchester by five points. Led by Ken "Hook" Johnson, who won the high jump, low hurdles, broad jump, and tied in the pole vault, the Lancer track squad edged the Justices by winning the four-fifths of a mile relay.

There will be several players returning to the squad next year, and Coach Goodlow will be looking forward to a better season.

First Row: Harrison Whitlow, Robin Taylor, James McGinnis, Don Goodman, Russell Crews, Thomas Foster, Nick Georgiadis. *Second Row:* William Lewis, Will Chapin, John Hebner, James Enroughty, William Connell, John Godsey, Tony Berry, Charles Poole. *Third Row:* Vernon Pack, Manager, Donald Price, Edward Clark, Wayne Lauterbach, Chap Hamlett, James Bennett, and George Lowry. *Missing from Picture:* Billy Yates, Howard Shropshire.

JOHN MARSHALL OUTFIELD—*First Row:* Herbert Reynolds, Thomas Goode. *Second Row:* Garland Johnson, Waylan Mangum, William Jelly.

The John Marshall baseball team of Coach A. S. "Tommy" Thompson had a mediocre season, although there were a few outstanding games.

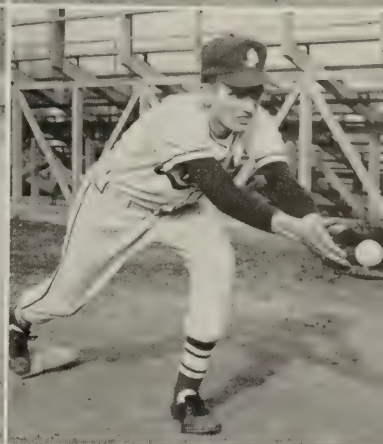

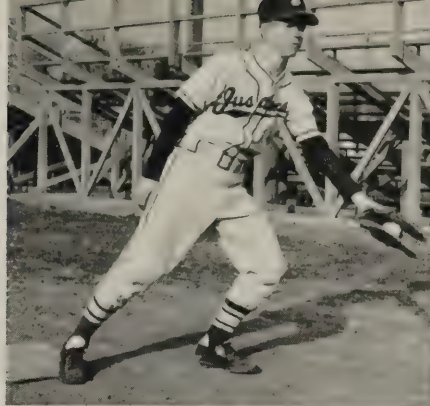

The only returning regular from last year's team was third-baseman Doug Martin, whose hitting kept the Justices battling. However, several lettermen, catcher-outfielder Red Traylor, infielder Dan Burroughs, and pitchers Mel Rideout and Jim Reedy returned. Other players returning from last year were Bill Graham, Larry Hicks and Joe McNamee.

One of the most outstanding players this year was freshman catcher, Billy Schwartz, whose hitting and catching ability was noted throughout the city.

The Justices had a 14-game District I schedule plus two practice games with Varina High School and a non-league contest with Washington-Lee.

In contest with Hopewell, the Big Blue came away with a 12-1 victory, paced by the grand-slam homer by shortstop Joe McNamee.

One of the big surprises of the season was Jayem's 5-1 defeat of Manchester.

This year, which ended with a 2-3-2 record in hockey for the John Marshall girls, was a fairly good year. Betty Coleman led the team as captain, and Jeanette Barnhill was high scorer by six points. Three members of the varsity, Jeanette Barnhill, Shirley Hutchison, and Jennette Talbott, made first team in the Tidewater Tournament. Pat Southworth and Betty Coleman made second team.

For the first time in several years, the J. M. team beat Thomas Jefferson. The cause of all this was the training the girls had at Hockey Camp in Pennsylvania, with coaches from England and All-American players.

The Junior Varsity had a good season also with a 3-2-1 record. Joan Moody was high scorer with seven points.

A few weeks after hockey season, interest turned quickly to basketball. The John Marshall Girls' Basketball team, captained by Mickey Gale, started its season with three glorious victories. Then it hit a tough snag in Tee Jay's powerful team that outscored us by twenty-one points. The defeat seemed to upset the team tremendously, for it was again defeated by Manchester.

Following these two defeats, the girls realized they would have to put forth much more effort if they hoped to come through with a winning season. This resolution brought Jayem three more wins, after which they met St. Gertrude's, the winner of the Catholic Tournament, and were again defeated by a large score. The final game of the season was against Petersburg, which gave another victory to the Jayem team.

The Junior Varsity team followed much the same

pattern as the varsity. Their first loss was to Tee Jay, and their other losses to Westhampton Junior Varsity and Collegiate.

Jennette Talbott, high scorer for the varsity, with 168 points for the season, made All-Prep in the Annual All-Prep Tournament, which was held on Saturday, March 3 in Hopewell. Billie Daniels, the next highest scorer, with 115 points for the season, made reserve in the Tournament.

On the Junior Varsity, Norma Foster racked up the most points, with 131 for the season. Joan Moody also made a nice showing with 107 points for the season.

Mickey Gale, who also made the All-Prep team, led our guards in making a good showing throughout the season, holding our opponents to 349 points while our team scored 389 points.

SOFTBALL

Front Row: Marie Beverly, Betty Dalton, Patricia Wright, Patricia Southworth, Sandra Foster, Norma Foster. *Back Row:* Rose Edwards, Etta Haskins, Sue Martin, Carolyn Brown, Helen Campbell, Claudette Shelton, Shirley Beasley, Helen McKenney (Coach).

Sandra Weeks, Manager. Seems to be a tense moment for Sandy!

The girls' varsity softball team of 1955 had a losing season with a record of three wins and seven losses.

All of the girls were new to the team except Sue Martin and Pat Southworth who returned from last year's team.

The Justices played a poor defensive game at the first of the season, committing many errors, but as the season progressed the whole team improved both defensively and offensively.

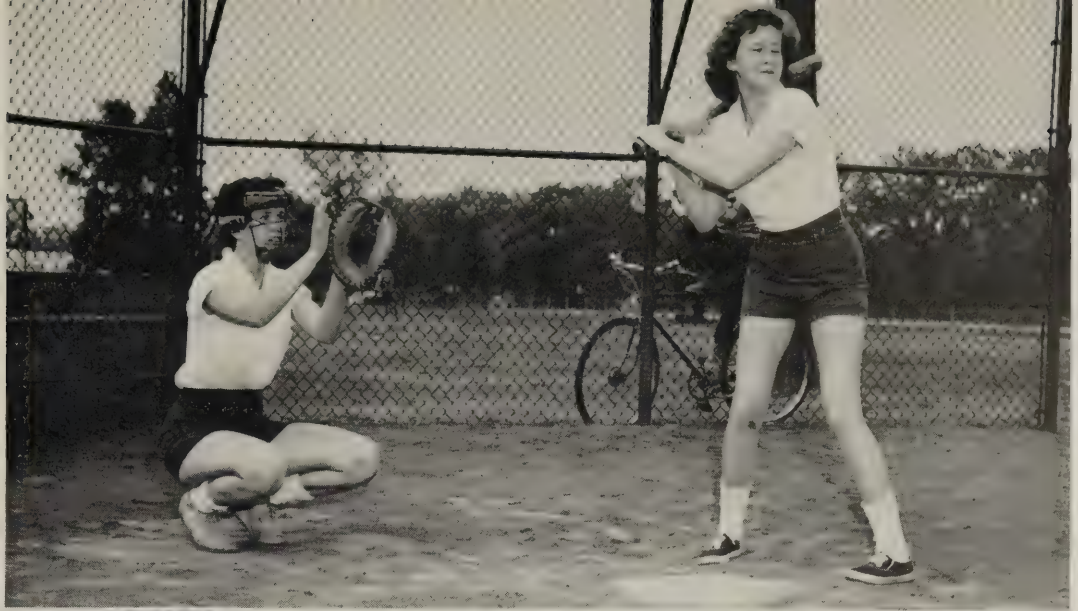

Rose "Sis" Edwards was the big hitter for the Justices. Pat Southworth was captain, and Sandy Weeks, manager.

When next spring rolls around the Jayem team expects to have a much better season, because seven girls will be returning. If experience and teamwork are combined, the record of the team should be improved.

The three games that were won were a 17 to 15 victory over St. Catherine's, a 14 to 4 win over Petersburg, and a victory of 24 to 6 over Binford.

Helen Campbell is "at bat." Come on, Helen, let's have a homer!

Carolyn Brown, as catcher, has just signaled to the pitcher.

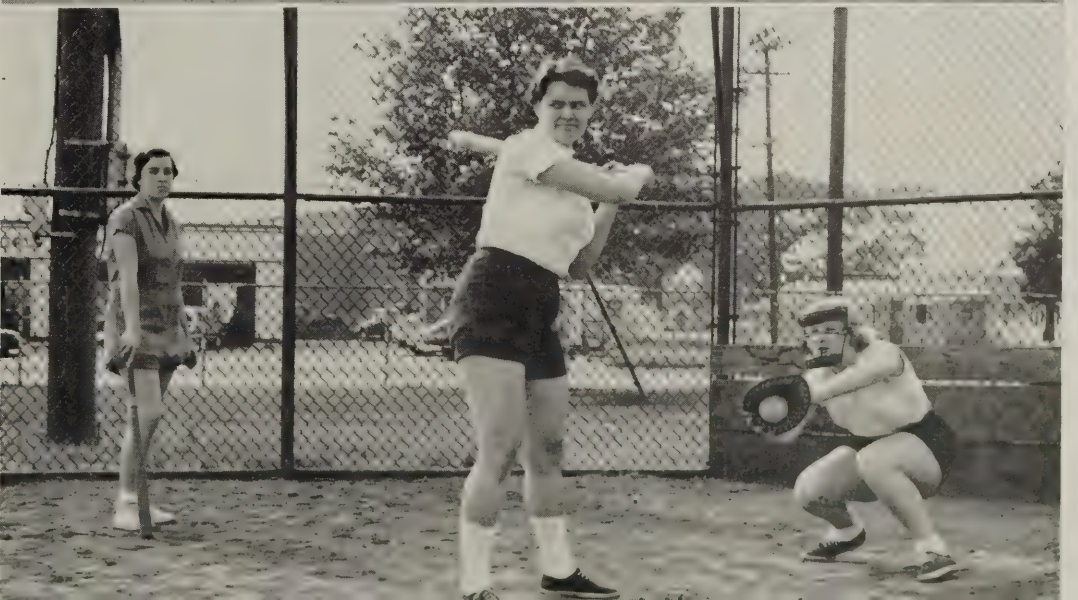

Pat Wright was a bit too late with her pass to first baseman, Claudette Shelton, for Shirley Beasley was safe. Marie Beverly watches closely as she coaches first base.

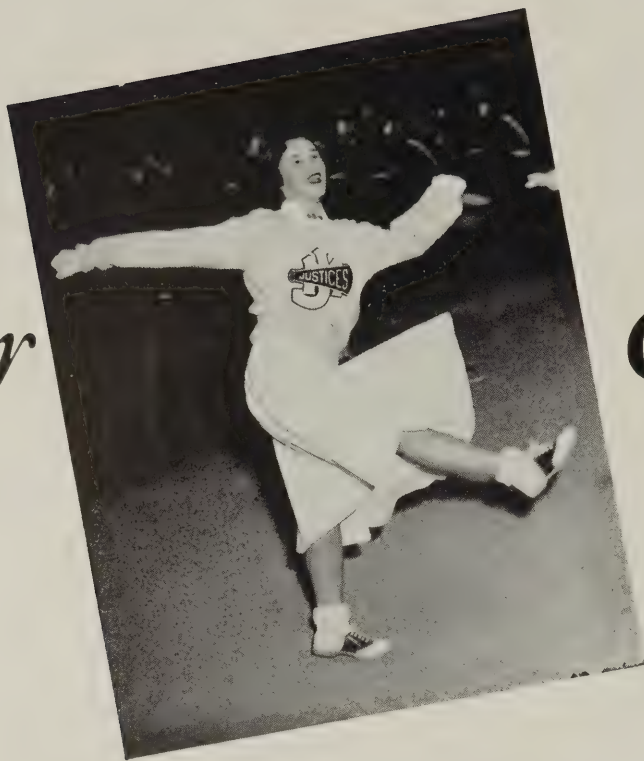

Betty Dalton gives an underhand toss to Norma Foster, playing second, but it's too late—twin Sandra Foster is safe. Rose Edward in the background comes forward in case of an error.

Rose Edwards at bat—yes, she plans to make it a home-run. Sue Martin, the catcher, is pleased—the "ump" called it a strike! Etta Haskins is waiting her turn at bat.

Our

Cheerleaders

Not only did our twelve cheerleaders lead the yells at all the games and pep rallies, including the night pep rally before the big John Marshall-Thomas Jefferson game; but they also participated in the Tobacco Festival Parade and the Teen Pep Rally Contest in which they competed against all the other cheerleaders in the Richmond area. Attending the Community Chest luncheons with the Seniors, they led yells for a Community Chest Drive victory.

Along with the Cadet Corps, the cheerleaders traveled all the way to Alexandria to support our team when it played George Washington High School's football team.

Another job of the cheerleaders was to welcome the new students to Jayem at the orientation program in September.

The cheerleaders had the "pep" and the "swing" this year; and because of their work with the students, our school spirit was really "hep."

PAT

If there were words to express the feelings of seniors on the morning of May 23, 1956, they were unexpressed. When someone close is taken away, actions more than words, reveal feelings.

To us, the seniors of John Marshall, Pat Britton was more than a classmate. She was an inspiration. Her fight for life showed her courage. Her final resignation to her fate showed her faith. Pat's short-lived life revealed a goodness beyond earthly comprehension.

There is little we can say or do to show our respect to "an angel on earth."

*A*S a prologue to the roll call of seniors at Jayem, many activities stream from the center of high-school life, the school.

Seniors witness and are a part of numerous projects in the school and city. This year John Marshall's honor class students were guests at the annual Community Chest Luncheon. This was an important day for another reason, however. The class officers were announced.

The annual proms and cadet hops form a great spoke in the hub of the seniors' activities.

Our gratitude goes to the school administration for our enjoyable and memorable days at John Marshall.

First Row: Sandy Cheatham, Jackie Lavender, Joan Turner, Beverley Clarke, Carol Pratali, Pitty Pat Fussell, Jo Ellen Freeman. *Second Row:* Dorothy Jenkins, Peggy Turner, Janet Brooks, Frances Henderson, Richard Taylor. *Third Row:* Frank Jones, Raymond Wooldridge, Miss Heinrich, James Ukrop, Harry Daniel, Bernard Coleman. *Fourth Row:* John Bengel, Richard Lanzillotti, Rudy Miller, Lacy Sale, William World. *Last Row:* Robert Fore, Thomas Beadles, Edward Peet, Donald Motley, Ray Gifford, Douglas Easter.

* Jerry Davis, in Service—not pictured.

Homeroom 202 is the FIRST homeroom to give a full page ad in the Yearbook. This homeroom is made up of Marshallites who have been together in the room for two and a half years. During this time three of the group transferred to the Press homeroom to work on The Monocle Staff. From 202 have been chosen two cheerleaders, two Company D sponsors, two Company B sponsors, a Company C captain, a Company E captain, a Company F captain, and a 2nd Battalion commander. The 1955 May Queen also is a member of this class. Two students are members of the Marshallite Staff. In the 12H semester there were four Forum Club officers, and the Senior Class secretary. Miss E. Jeffries Heinrich, the teacher, is faculty sponsor of the Forum Club.

Your GUARANTEE OF Highest Quality

OUR CREED

Every day we will remember that the health of the community is in our hands.

We will never relax our vigilance for we know that the coming generation is dependent upon our products to build strong bones and healthy bodies.

Because sick and well, old and young all trust us-- we will be a never-failing source of supply.

And because we have fully accepted these responsibilities, we will go home at night feeling that we have earned a place among those who serve mankind.

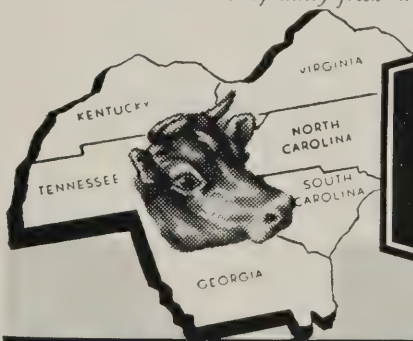

We, at Pet, have "hitched our wagon to a star" -- the shining star of *highest quality*... for we realize our responsibilities to you -- and to the communities we serve

On our Pet dairy farms and in our Pet dairy plants, each of us has but one aim -- to produce for you the *finest*, most *wholesome*, most deliciously *satisfying* ice cream you have ever tasted!

We use only *daily fresh* whole milk and

daily fresh sweet cream and the choicest fruits, whole berries, crisp nuts and delicate natural flavorings in Pet Ice Cream. That's why you always *taste the fresh cream* in Pet Ice Cream!

But, the *proof* of quality is in the *eating*.. so take home a pint or two of Pet Ice Cream today, and compare. *Compare* Pet Ice Cream with any other ice cream. We're sure you'll agree, that as to *body, flavor, texture and quality* Pet Ice Cream tops them all!

The Mark of A Champion . . .

WHEN a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

Fulfilling An Obligation

With fidelity to the principles of the outstanding Virginians who founded Atlantic Life in 1900, it is the Company's continuing purpose:

To provide the security of life insurance at the lowest guaranteed cost.

To strive constantly to raise the standards of service and efficiency.

To provide career opportunities for those who are qualified for Home Office positions and professional sales work.

And to share through the efforts of the field organization in the progress of the communities in which we operate.
